- See www.nsw.gov.au for all current NSW, interstate and New Zealand COVID case locations.

Privacy

We are committed to protecting the personal and health information that we collect, use, and disclose while recognising the right of individuals to have their information handled in ways that they would reasonably expect and in ways that protect that personal and health information. If required, we collect and manage personal information in accordance with our State regulatory body guidelines.

Our privacy policy allows for the collection, storage, use and disclosure of personal information for the purpose for which it was collected, for a purpose that an individual would reasonably expect, for a purpose required or permitted by law and for a purpose authorised by an individual.

Please note: All COVID related records (name and contact of persons who enter our business premises) are collected as required by NSW Government Legislation, stored confidentially and securely, and will only be used for contact tracing by a Government agency, if required. COVID related records will be kept for a minimum period of 28 days.

The Tenterfield Golf Club Ltd is registered with the NSW State Government as a COVID Safe business.

We have COVID Safety Plans in place for:

- Registered club
- Motel accommodation
