Golf veterans Tour May 4th 2022

Owing to the success of last years tour we have decided to once again offer our golfers the opportunity to see the local attractions and have lunch at one of our local wineries. The tour will leave Tenterfield Golf club at 9am and drive to Aloomba Lavender farm where we will have morning tea, a Talk and tour. Next we will drive to Stanthorpe Cheese for tasting and, if you wish, purchase of some of the many wonderful cheeses available. At approx. 1.30pm we will arrive at Balancing Heart winery for lunch. You will be able to choose from a menu of Ploughman's, Mezze platters or Local Pizzas. You will also have one free glass of wine each, and of course plenty of time to taste the extensive range of wines on offer.

The Tenterfield Veteran golfers have once again decided to subsidize this event with a view to making your visit to our Autumn Week of golf a truly memorable experience.

The nominal cost of this Tour will be \$25. This is truly wonderful value as the normal cost is approximately \$80.

Please book early.

Hope to see you on the trip ---- Tenterfield Veteran Golfers
